## Educational Activity Book

Primary Grades

### "Come Fly With Me"

"Come Fly With Me" activity book promotes safe air travel and gives children in primary grades a fun and entertaining way to learn about aviation. Each turn of the page teaches kids about day-to-day aviation: the parts of an airplane, safety checks, take off procedures, navigation tools, and airport ground and tower operations.

Packet of

20 sets

\$100.00

P/N EAB 100

"Come Fly With Me" comes with a box of four crayons and is packed with plenty of pages to color, maze and word find activities as well as two full pages of Raytheon Aircraft stickers. These pages can be removed from the book and kids can "land" the sticker airplanes on the rural and city airport landscapes. This hand-illustrated activity book is a great addition to a publication library, educational program or gift and merchandise store. It is also an effective public relations tool showing your commitment to the industry, flight safety and education.

Basic activity book without stickers and crayons

Packet of 20
